

MPA Sport Premium 2023 - 2024

The Government has provided additional funding to provide new, substantial primary school sport funding in order to improve the provision of physical education and sport in primary schools. This funding can only be spent on provision for PE and sport in schools. Schools will be held accountable for how they have used the additional funding to support pupils progress and participation in PE and school sport.

In planning how to allocate the grant we have worked to the following principles:

- all children benefit regardless of sporting ability
- children are given the opportunity to compete in tournaments with other schools
- staff have access to training opportunities and continued professional development
- some activities may be subsidised so that pupils do not miss out due to financial constraints
- we make use of collaborative and partnership working

2023-2024 Sports Premium GRANT: £18420

Initiative	Expected Outcome	Cost	RAG	Review
Professional development of KS1 & KS2 teachers	Full-time sports coach hired to provide excellent teaching practice for PE lessons. This will increase teachers' subject knowledge, skills and confidence to provide high-quality lessons and building capacity to deliver the best P.E. provision. Sports coach will also deliver sports clubs 4 days per week after school.	£13500		Sports Coach was employed 4 days per week teaching additional PE lessons across the school in KS1 and KS2. This was in addition to a slot that they had with their class teacher. The Sports coach also delivered a sports club 4 days per week from September to April. The impact of this is that children have received more PE curriculum time and had exposure to a range of sports clubs being delivered by an expert.
P.E. and Outdoor Education Leadership	Identified leader of PE and Outdoor Education across the school to improve provision and provide model lessons and staff training.	£1400		This additional funding was provided as an additional pay to a member of staff to focus on leading sports competitions, resourcing of sporting equipment and enrichment. This has been incredibly impactful as we have been involved in multiple competitions across the school year. These have included: , Football Festivals, KS1, KS2 and KS2 Girl's Football Leagues, LAT Cluster Sports, Cricket Club Visit, Swimming Galas and Athletics.
Minibuses/ Public transport	Children have had access to varied competitions, offering children a wider range of opportunities to participate, learn and	£1520		As part of our extensive sports offer here at Marden, going to competitions is vitally important but where we are situated, means that transport can be a challenge. Being able to use this money has made attending events, such as those mentioned before, possible. All children

	apply skills, within a wider spectrum of abilities			selected for competitions were able to attend without finances becoming an issue.
Swimming	Swimming lessons take place during KS2. Transport to these are given free or at a subsidised cost for families in need of financial support.	£500		<p>The cost of the pool and instructor was free to all children and travel was subsidised to ensure that all children could access swimming this year. This year we provided swimming lessons throughout the academic year which allowed additional year groups to have the opportunity to take part.</p> <p>Year 6 Cohort 2023 - 2024</p> <ul style="list-style-type: none"> 93.9% of children are able to float confidently in the water. 100% of children are able to tread water and keep their head above the surface for 30 seconds. 93.9% of children are able to competently, confidently and proficiently swim a distance of at least 25 metres. <p>2023 - 2024 Results - Year 5</p> <ul style="list-style-type: none"> 100% of children are able to float confidently in the water. 95.5% of children are able to tread water and keep their head above the surface for 30 seconds. 68.8% of children are able to competently, confidently and proficiently swim a distance of at least 25 metres. <p>2023 - 2024 Results - Year 4</p> <ul style="list-style-type: none"> 90.6% of children are able to float confidently in the water. 67.4% of children are able to tread water and keep their head above the surface for 30 seconds. 41.8% of children are able to competently, confidently and proficiently swim a distance of at least 25 metres. <p>2023 - 2024 Results - Year 3</p> <ul style="list-style-type: none"> 69.0% of children are able to float confidently in the water. 78.5% of children are able to tread water and keep their head above the surface for 30 seconds. 47.6% of children are able to competently, confidently and proficiently swim a distance of at least 25 metres.

Wrap-around sports clubs	Providing a greater range of sports clubs after school which is accessible for all by the sports clubs subsidy.	£1500		Over the course of the year we have run a wide range of sporting clubs. We have paid staff to run these clubs to ensure that there is a wide variety across the year and available to children of all ages. This included: KS1 and KS2 Football for girls and boys, Cricket, KS2 Rounders, Netball, Outdoor Athletics, Dance, Cross Country and Fit & Fun.
